This explanatory statement contains all the information required to be given to the Shareholders pursuant to Rule 10.06 of the Hong Kong Listing Rules in connection with the Repurchase Mandate, which is set out as follows:

#### CLASS AND NUMBER OF SHARES PROPOSED TO BE REPURCHASED

As at the Latest Practicable Date, the total share capital of the Company was 74,600,300 Shares, including 55,260,000 Domestic Shares and 19,340,300 H Shares. If the special resolution on the proposed grant of Repurchase Mandate is approved, and the Company will not allot, issue or repurchase H Shares on or before the date of the AGM and the Class Meetings, the Company will be entitled to repurchase not more than 1,934,030 H Shares pursuant to the Repurchase Mandate, representing 10% of the total number of H Shares in issue of the Company as of the date of passing the relevant resolution.

#### REASONS FOR PROPOSED REPURCHASE

The Directors believe that the Repurchase Mandate is conducive to promoting the healthy and stable long-term development of the Company, and protecting the interests of general investors effectively, and is in the interest of the Company and the Shareholders. Based on the prevailing market conditions and funding arrangement, the exercise of the Repurchase Mandate may increase the net asset value per share and/or earnings per share and optimize the Company's equity structure. The Repurchase Mandate will be exercised only when the Directors consider that repurchase is beneficial to the Company and its Shareholders.

#### FUNDS FOR PROPOSED REPURCHASE

In repurchasing H Shares of the Company, the Company plans to use its own internal funds to finance such purpose legally in accordance with the Articles of Association and the applicable PRC laws, statutes and regulations.

Considering the current working capital conditions of the Company, the Directors believe that an exercise of Repurchase Mandate in full will not cause material adverse impact on the working capital and/or gearing position of the Company (as compared to the financial position as at December 31, 2023 as disclosed in the Company's published audited financial statements in the annual report for the year ended December 31, 2023). However, if the Board believes that the exercise of Repurchase Mandate will have material adverse impact on the working capital requirements or gearing ratio of the Company, the Board tends not to repurchase Shares by exercising the power conferred under the Repurchase Mandate. The Board will consider the prevailing market conditions at an appropriate time to make decisions on the number of H Shares to be repurchased, the price and other terms to repurchase H Shares, in the best interest of the Company.

## PRESENT INTENTION OF DIRECTORS AND THEIR CLOSE ASSOCIATES

To the best knowledge of the Directors, having made all reasonable enquiries, none of the Directors or their close associates (as defined in the Hong Kong Listing Rules), have any present intention to sell to the Company any H Shares of the Company if the Repurchase Mandate is approved by the AGM and the Class Meetings.

## UNDERTAKING OF THE DIRECTORS

The Directors undertake that, in appropriate circumstances, they will exercise the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate in compliance with the Hong Kong Listing Rules, Articles of Association, applicable laws, rules and regulations of the PRC, and in accordance with the special resolution set out in the notices of the AGM and Class Meetings. Neither the Explanatory Statement nor the proposed Share Repurchase Mandate has any unusual features.

## EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the power of the Company to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition of the voting rights pursuant to Rule 32 of the Codes on Takeovers and Mergers and Share Buy-backs (the "Takeovers Code") issued by the Securities and Futures Commission of Hong Kong. If such an increase results in a change in control, it could, under certain circumstances, result in the recommendation for a mandatory acquisition offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. GUAN Weili and Ms. WANG Lianyue, the Directors of the Company, together held approximately 29.55% of the Shares of the Company (Mr. GUAN Weili is the spouse of Ms. WANG Lianyue and therefore, Mr. GUAN Weili is deemed to be interested in the Domestic Shares held by Ms. WANG Lianyue, and Ms. WANG Lianyue is deemed to be interested in the Domestic Shares held by Mr. GUAN Weili by virtue of Part XV of the SFO). Following the exercise of the share repurchase by the Company and the completion of the share cancellation, the shareholdings of our Directors, Mr. GUAN Weili and Ms. WANG Lianyue, may exceed 30% (assuming that there is no other change in the issued share capital of the Company other than the share repurchase). Under Rule 26.1 of the Takeovers Code, the Directors, Mr. GUAN Weili and Ms. WANG Lianyue, would be obliged to make a general mandatory offer to the Shareholders for all the issued Shares and other securities of the Company not already owned or agreed to be acquired by them or parties acting in concert with them. The Board presently has no intention to exercise the General Repurchase Mandate to such an extent of triggering an obligation under the Takeovers Code.

Save as disclosed above, as at the Latest Practicable Date, to the best knowledge and belief of the Directors, the Directors are not aware of any consequence which may arise under the Takeovers Code and any similarly applicable laws as a consequence of any repurchase of Shares under the general mandate.

The Hong Kong Listing Rules prohibit a company from making repurchase on the Hong Kong Stock Exchange if the result of the repurchase would result in less than 25% (or such other prescribed minimum percentage as determined by the Hong Kong Stock Exchange) of the issued share capital being held by the public. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands of the Company.

#### SECURITIES REPURCHASED BY THE COMPANY

No repurchase of any H Shares has been made by the Company during the six months immediately before the Latest Practicable Date.

#### CORE CONNECTED PERSON

No core connected person (as defined in the Hong Kong Listing Rules) has notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so in the event that share repurchase is approved by the Shareholders.

#### PRICES OF H SHARES

The highest and lowest prices at which the H Shares have been traded on the Hong Kong Stock Exchange in each month over the last 12 months prior to the Latest Practicable Date are as follows:
